Card sensor
Cipher key
Door bell button

Kit2:suitable for wooden and metal door, not need bracket,convenient to install.

Working voltage: 12/24V
Time Delay: 0s, 3s, 6s (Adjustable)
Locking mode: Magnetic induction
Dimension: 150X34X28 (L/W/H)

Scope of Application

Company

Hospital

Hotels

Logistics

Port

Financial

Government

Factory

Aviation

School
