Table of Contents

- 1. Introduction to the Project : This section provides an overview of the project's goals and objectives.
- 2. System Architecture : This section details the system's architecture, including the components and their interactions.
- 3. TAG : This section discusses the TAG (Technical Architecture Group) and its role in the project.
- 4. W26 and W34 : This section covers the W26 and W34 components and their integration.
- 5. SDK : This section describes the SDK (Software Development Kit) and its usage.

RFID UHF

RFID UHF

- RFID UHF 15 Meters Range UHF Model: UHF 5000 - UHF Long Range Reader - 15 Meters Range - ETC Reader in Toll Plaza Application - TCP/IP, Serial, USB, WiFi
