

A black portable digital video camera is shown. It has a small LCD screen in the center displaying a color image of a two-story house with a green lawn and trees. To the right of the screen is a circular speaker grille. Below the screen are three small buttons with icons: a play button, a stop button, and a power button. To the right of these buttons is a large circular control dial with a central button and four surrounding buttons. A black antenna is visible on the left side of the device. The camera is resting on a reflective surface.
