The diagrams illustrate the Access Control Panel's interface in three states:

- Standby State:** The panel displays "ACCESS CONTROL" at the top, a mobile phone icon in the center, and a numeric keypad (0-9, \*, #) at the bottom. A hand icon is shown pressing the top right corner.
- Numeric Keypad Input State:** The panel displays a numeric keypad with blue numbers (1-9, \*, #) and a blue arrow icon at the bottom. A hand icon is shown pressing the top right corner.
- Alarm State:** The panel displays a bell icon at the top and the word "ALARM" in red at the bottom. A hand icon is shown pressing the top right corner.
