

Puerta de aleta del tono bidireccional de control de acceso con lector de tarjetas RFID

FLAP Barrier Gate es un tipo de mecanismo de control de acceso diseñado para administrar el tráfico de peatones mediante el uso de colgajos retráctiles que se abren y cierran para permitir o restringir la entrada. Estas puertas se usan ampliamente en áreas que requieren seguridad y flujo suave de personas, como edificios de oficinas, estaciones de metro, aeropuertos y otros lugares públicos.

Fiabilidad

- SUS304 El trabajo de caso de acero inoxidable asegura una durabilidad duradera.
- Componentes eléctricos de alta calidad.

Características de seguridad

- Las barreras se retraen automáticamente durante el apagón con la placa de condensadores instalados.
- Todo acabado suave. No hay tornillos expuestos.
- El diseño ergonómico hace que la autenticación de tarjetas y huellas digitales sea rápida y simple para los usuarios.

Integración de lector incorporada

- La serie ya está integrada con la preferencia de nuestros clientes por el lector de control de acceso a tarjetas o huellas digitales.

Esto reduce en gran medida el tiempo de instalación y el gasto.

- Las series y los lectores de control de acceso asociado están probados en fábrica antes del envío.
- Proporciona torniquetes de plug & play verdaderos con el costo total total más bajo posible de propiedad en la industria.

Paramentadores de productos

Requisitos de energía	AC 100 ~ 120V/200 ~ 240V, 50/60Hz
Temperatura de trabajo	-15 ° C-75 ° C
Humedad de trabajo	Menos del 95%, sin condensación
Ambiente de trabajo	Interior/exterior (si está protegido)
Velocidad de rendimiento	RFID: máximo 30/ minuto Huella digital: máximo 25/ minuto
Tiempo de funcionamiento de la puerta del ala	alrededor de 1s

Interfaz de comunicación	Rs485
Ancho de carril (mm)	600
Dimensión (L*W*H)	1400*300*980 (mm)
Peso neto (kg)	72 kg
Peso con embalaje (kg)	106 kg
Indicador LED	Soporte
Material del gabinete	SUS304 STEE INOXINO
Material de tapa	SUS304 acero inoxidable
Material de barrera	Acrílico
Movimiento de barrera	Retracción
Modo de emergencia	Soporte
Nivel de seguridad	Medio
MCBF	2 millones

ABOUT OUR FACTORY

Established in 1999, Shenzhen Goldbridge has witnessed the technological innovation from rfid card to rfid tag, the overall change of market products in the past 20 years, and registered "Shenzhen Goldbridge Industrial Co., Ltd." in 1999.

At present, Goldbridge has developed into a National High-Tech Enterprise, which is specialized in the integration of production, market and research. Starting from the PVC cards and RFID cards factory with only 66 workers, Goldbridge has accomplished the successful transition from traditional manufacturing industry to IOT technology enterprise (RFID technology development).

With the accumulation of dozens of software copyrights and utility new inventions and patents, Goldbridge has been rewarded as "National High-Tech Enterprise", "Shenzhen High-Tech Enterprise", and has become an integrated enterprise which focuses on research, production and market. Meanwhile, by adopting the "Military + School + Family" corporate culture concept, accompanied by the continuous innovation of business model and marketing model, plus the B2B, B2C platform and excellent sales team, Goldbridge sells its products all over the world.

Honers & Certificates

WHY CHOOSE US?

- **Long History & High Reputation**

Founded in 1999. Great Creativity Group dedicates in R&D, producing and sale of RFID products and Plastic Card. We own 12,000 square meters factory, 3000 square meters office and 8 branches so far.

- **Advanced Equipments & Ultimate Production Ability**

2 Modern high standard production lines with monthly output 30,000,000pcs cards. Brand-new CTP machines and Germany Heidelberg offset printing machines. 10 sets of compounding machines.

- **Self R&D Customization**

Our company offering management application project, equipment application, scheme and personalized RFID end product.

- **Strict Quality Control**

Strict QC System from raw material to finished products. We have passed certified ISO9001, SGS, ROHS, EN-71, BV etc. We promise all products will be examined strictly and we ensure that the products we deliver to you with top quality.

FAQ

Q Do you accept Trade Insurance ?

Yes of course, please click [here](#) to issue a trade insurance order.

A

Q Do you offer a customized sourcing service ?

A Yes please contact our sales team directly.

Q What format files shall we send for printing?
