

## Product description

RFID keychain custom Passive Proximity RFID Keyfob

### advantages:

1. Resistant to dust, dirt and moisture
2. Ability to combine two technologies in a key ring
3. Suitable for indoor and outdoor use
4. An interesting range of colors and a competent coding service is available.
5. Customization: the Rfid remote control can be customized by means of color printing or long-lasting laser engraving, using the logo, a number or any graphic motif.
