

Overview

Quick Details

Special Time & Attendance
Features:

Place of Origin: Guangdong, China

Brand Name: ACM

Model Number: ACM-WEG01

Product name: One Doors Access Control Board Door Access Control
Panel

Card Capacity: 20000

Communication: Wiegand

Transaction 100000
Capacity:

Indicator: Color LED Indicator

Panel size: 160*106mm

Communication TCP/IP, Wiegand 26 , Wiegand 34
Protocol:

Weight: 0.5kg

Power supply: DC 12V

Keyword: Access Control Solution System

Certification: CE

Packaging & Delivery

Selling Units: Single item

Single package 20X15X10 cm
size:

Single gross 0.600 kg
weight:

Package Type: one piece in one carton, 50 pieces in one carton

Product Description

Entry Door Security System Wiegand Solution Controller Board TCP IP RFID Network One Door Access Control Panel

This access control board's software provides numerous access control and alarm monitoring features: expiry date for clubs, automatic activation, time zones, supervision, anti-passback, activity reports... Each alarm input is programmable: operating mode (NO or NC), time zones, local reflex (activation of outputs according to input status). Specific alarms are triggered according to the number of unsuccessful attempts, the time limit for door closing (door alarm), the duress code...Whenever required, the data stored in the controllers is transferred to the computer and activity reports are printed. Each controller works independently and keeps its own database.
