## ROLLER SHUTTER DOOR CONTROLLER

Designed used for tubular motor

A photograph of a modern glass entrance. It features a large glass door with a silver frame and a red carpet runner leading up to it. The entrance is part of a building with a glass facade.

A black sedan is parked on a paved surface in front of a building. The building features a large, closed white garage door. To the left of the car, there is a small green bush and a tree. The car is positioned at an angle, showing its rear and side profile. The license plate is visible but not clearly legible. The overall scene is outdoors during the day.

A photograph of a concert stage. The stage is illuminated with bright spotlights, creating a high-contrast scene. The audience is visible in the foreground, silhouetted against the bright stage lights. The overall atmosphere is energetic and festive.
