4 PCS AA batteries

Low power consumption can be used for 1 year

4 PCS AA batteries can be used continuously for 1 year, and the cover can be opened and replaced directly after the power is used up

Long endurance

low power consumption

Energy supply

No networking required Password sharing at any time

Mobile APP, sending time-limited / one-time / temporary password for easy access

LOCK

Multiple houses, remote management, no longer running errands

Apartment management door lock

Free of charge for lock software management system

Apartment/homestay/hotel/long renting/short renting

Remote time-effective password sending

Easy management of 10000 houses

Expiration time limit setting of rental password

Open the door without using network

Cardoria mobile phone APP and lock have built-in triple encryption method.

The unlocking process does not need to pass through the network, and
the source prevents the possibility of being cracked by the network!

Use the APP to generate a time-effective password, and send it to others via SMS and WeChat to decrypt and unlock the lock

128 AES128 encryption

Being a landlord can be very leisurely

You don't have to visit the site during the whole process of renting the house

Distance is not a problem Manage anytime and anywhere

If you are abroad, you can control the door locks of other cities through your mobile phone

It is safer to prevent peeping

False password protection to protect the security of real passwords

Four types of password management

OUR FACTORY

- Access Control and RFID Reader Production Line:
- Monthly production quantity is up to 50,000pcs , We are Provides OEM&ODM services including product research and development, LOGO printing, customized.etc

- Electromagnetic lock & Smart Door Lock Production Line:
- Monthly production quantity is up to 100,000pcs.
- Our factory is built with modern manufacture environment, facilities, equipment and professional operation technicians
- · Goldbridge Provides OEM&ODM services including product research and development, LOGO printing and product box customized.

- RFID & NFC Cards & Tags Production Line:
- RFID Tag, Wristband, Keyfob: 11,000,000pcs (monthly output)
- Four Production Lines For Smart Card, PVC Card, Prelam Sheet: 20,000,000pcs (monthly output)
- Goldbridge Provides OEM&ODM services for LOGO printing, development.

ADVANTAGE

APPLICATION

- OEM ACCEPTABLE 20 years OEM&ODM experience for 1000 + VIP client from US and Europe
- HIGH QUALITY Design and manufacture high quality produtes with 30 R&D; engineers.

Bus, supermarket, school, government, hospital, factory
