2 color LED indicator and three reflection of machine operating conditions

- STATUS INDICATOR
- POWER INDICATOR

### 04

#### BUZZER

BUILT-IN BUZZER, THE SOUND BUZZER AND BEEP

### 05

#### COMMUNICATION INTERFACE

SUPPORT USB

#### SPECIFICATION

Model	134.2K
Interface	USB2.0
Card Type	EMV0, FDX-A, FDX-B (ISO15693)
Card Capacity	134.2K
Card Material	PC
Card Thickness	0.76mm
Card Color	Black
Card Size	85.5mm x 54mm
Card Weight	1.2g
Card Price	0.15\$
Card Qty	1000
Card Material	PC

#### PRODUCTS REAL SHOT

# SCENE APPLICATION

**RFID Unmanned Supermarket Management**

This application features a central image of a supermarket aisle with produce. Surrounding it are icons for various RFID components: a yellow RFID tag, a black tag, a roll of white tape, and a blue tag.

**RFID Vehicle Tracking Management**

This application features a central image of a car at a toll booth. Surrounding it are icons for RFID components: two white rectangular tags, a black tag with a white logo, and a roll of white tape.

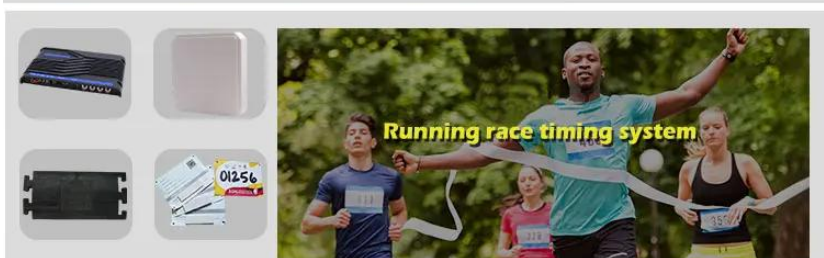

**Trash Can management system**

This application features a central image of a yellow autonomous refuse truck. Surrounding it are icons for RFID components: a white rectangular tag, a white tag with a black strip, a black tag with a white strip, and a roll of white tape.

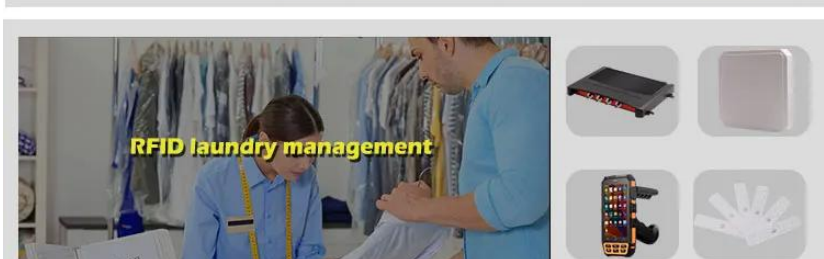

**RFID books management**

This application features a central image of a library. Surrounding it are icons for RFID components: a black tag, a smartphone with an RFID reader, a white tag, and a roll of white tape.

**Running race timing system**

This application features a central image of runners at a race. Surrounding it are icons for RFID components: a black tag, a white tag, a black tag with a white strip, and a race bib with the number 01256.

**RFID laundry management**

This application features a central image of a laundry worker. Surrounding it are icons for RFID components: a black tag, a white tag, a smartphone with an RFID reader, and a white tag with a white strip.

**RFID Warehouse Inventory Management**

This application features a central image of a warehouse with a forklift. Surrounding it are icons for RFID components: a black tag, a monitor displaying a grid of data, a white tag, and a roll of white tape.
