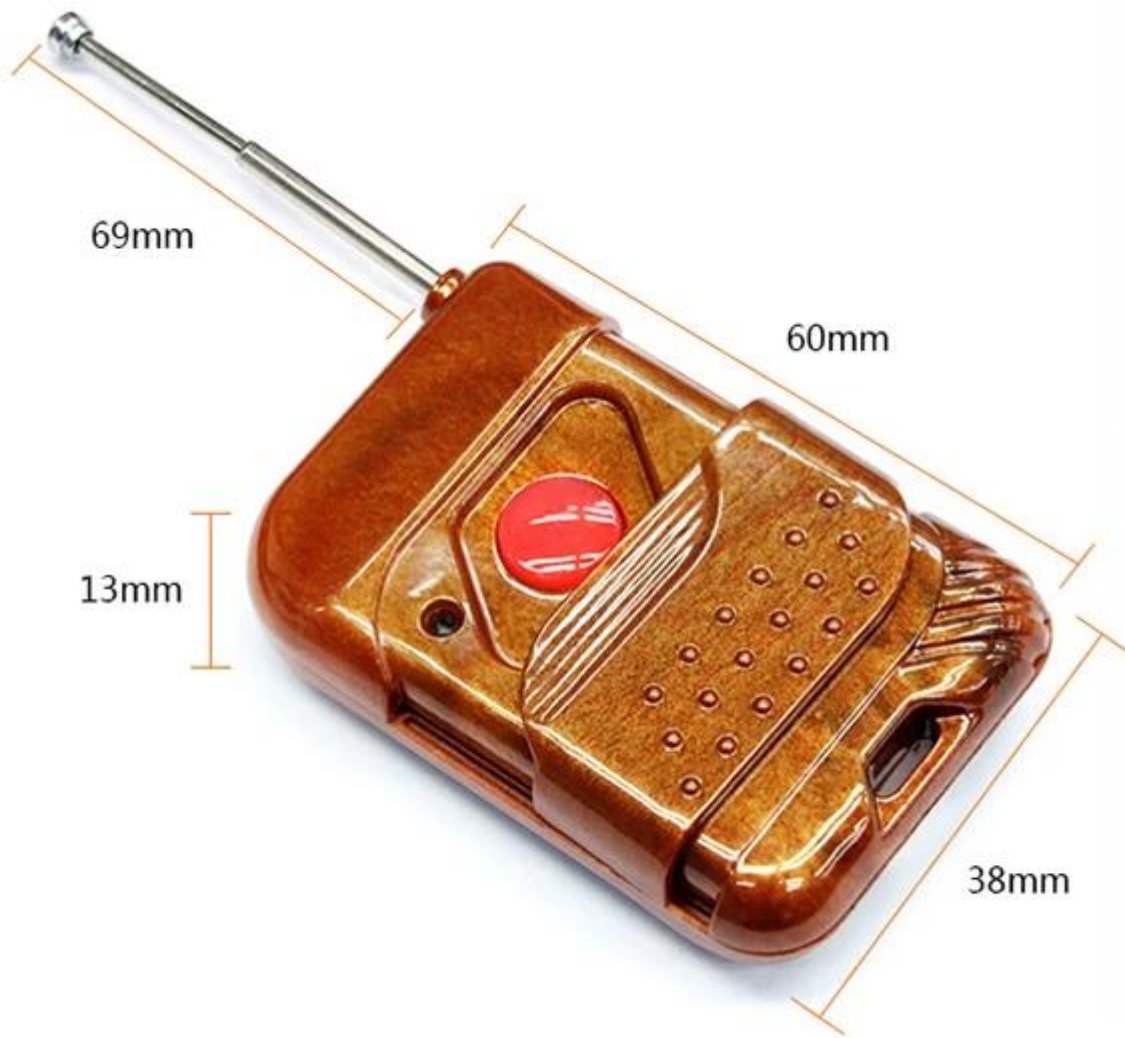

Figure 5: Dimensions

The device is a small, rectangular, brown electronic device. It features a prominent silver antenna extending from the top-left corner, a red circular button in the center, and a keypad with a grid of small circular perforations on the right side. Dimensions are indicated with orange lines and text: 69mm for the length of the antenna, 60mm for the width of the device, 13mm for the height, and 38mm for the depth. The device has a textured surface and a small circular lens on the left side.
