Sterilization is more effective

K9 Automatic Temperature Measurement & Disinfection Machine

Safer without contact

Automatic temperature measurement and disinfection

Effectively avoid cross infection

Align the temperature measuring probe and the liquid outlet with the palm of your hand to detect the temperature and automatically sterilize the liquid

Extremely fast temperature measurement

Infrared sensor

Automatic alarm function

When the measured body temperature exceeds the preset alarm temperature, the device will issue an alarm to remind the surrounding people

Large-capacity disinfectant used longer

1000ML large amount of disinfectant solution, effectively inhibit bacteria, the inhibition rate is as high as 99.9%. Effectively take care of you and your family's health

°C/°F temperature unit can be selected

Switch easily

High-performance, low-power self-developed motherboard greatly improves product stability and operating capability

The inner core is more powerful

Smart power saving & auto wake up

K9 has intelligent power saving and automatic wake-up function, which can save more resources

Low energy consumption, more economical
