

**Waterproof keypad for access control door entry Pin Passive Standalone Proximity Card Wiegand Rfid Reader**

ACM-08D is a 125KHz contactless Wiegand ID card reader, using advanced radio frequency and integrated receiving circuit design microcontroller, combined with an efficient decoding algorithm, to complement the uem4100 64-bit compatible read-only ID card (EM board) has the features of high receiving sensitivity, low working current, single DC power supply, low and high price performance. Dust-proof, moisture-proof and fully sealed design is convenient for users to install in harsh conditions such as outdoors, without mechanical wear and is durable.

Benefit:Benefit:

- Significance
1. Good resistance to water and dust
  2. Heat and wear resistant sand ABS material
  3. Good ID / IC compatibility

## Packaging and delivery

### **Packaging and delivery details:**

Package: one piece in one box, 100 pieces in one box

Port: Shenzhen or Hong Kong

Lead time: 3 ~ 7 days after confirming the order

We are professional suppliers of full security access control products with 20 years of experience, we make sure to offer the best access control system solution! So, send your inquiry details below, Contact us now!

We are looking forward to forging successful business relationships with new customers around the world in the future.

### Shipping way

We have been one of the leading

exporters of RFID products in China for 2000 years. With rich experience in international trade, we know international shipping very well, we know which express or air / sea line is cheap and safe for your country. We can provide various certificates to clean your habit such as CO, FTA, Form F, Form E ... ect. We will provide our professional shipping suggestion. EXW, FOB, FCT, CIF, CFR ... trade terms are ok for us. We can be your reliable partner for products and shipments.

black, yellow, gray, green

## Quality assurance

- Warranty service will be honored if the damage is not caused by people, ACM Goldbridge provides 2 years warranty for related products.
- On the contrary, ACM Goldbridge will require extra in case of repair.
- More information, please consult our service center.

## Our service

- 1, All inquiries will be answered within 24 hours
- 2, professional manufacturer and supplier, welcome to visit our website and factory
- 3, OEM / ODM available
- 4, high quality, fashin design, reasonable and competitive price, fast delivery time
- 5, after-sales service:
  - 1), All products will have been strictly checked in house before packing
  - 2), All products will be well packed before shipping
  - 3), All of our products have 2-3 years warranty if the damage is not caused by man
- 6, Faster Delivery: About 1 ~ 5 days for sample order, 7 ~ 30 days for bulk order
- 7, Payment: You can pay for the order by: T / T, Western Union, Paypal
- 8, Shipping: We have strong cooperation with DHL, FEDEX, TNT, UPS, EMS, sea and air freight forwarder, you can also choose your own forwarder.

## FAQ
