

Product description

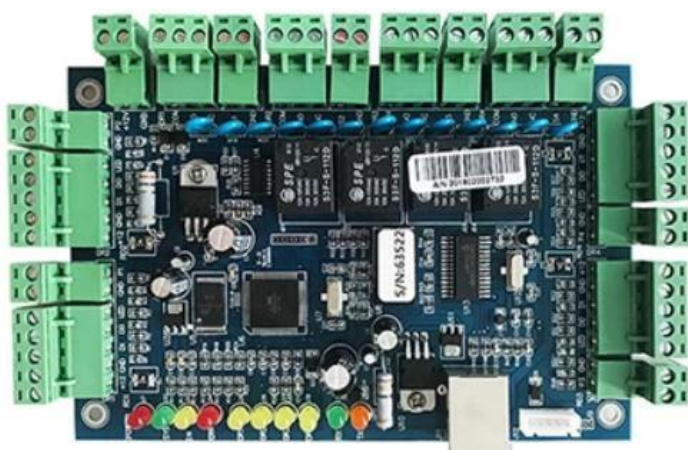

4-port network access controller with wide voltage power supply controller with metal housing

Here are the specifications of the network IP controller details:

Parameter	Single door control panel	Multi Door Control Panel (2)	Multi Door Control Panel (4)
ACM model	ACM-001	ACM-002	ACM-004
Communication	Adaptive TCP / IP 10M / 100M	Adaptive TCP / IP 10M / 100M	Adaptive TCP / IP 10M / 100M
Description	Control 1 door, enter and exit the door by sliding the card or enter by sliding the card and exit the door via the button	Control 2 doors, enter and exit the door by sliding the card or enter by sliding the card and exit the door via the button	Check 4 doors, enter door by sliding card and exit door by button
PCB board size	160mm * 106mm	160mm * 106mm	218mm * 106mm
Case size	273mm * 228mm * 65mm		
Power supply	12VDC 4-7A		
Energy consumption of the circuit	Less than 100 mA		
Player input format	Wiegand 26 (All protocol compatible card readers, such as Motorola ,HID, EM, Mifare one etc.)		
Quantity of readers	2 pcs	4 pcs	4 pcs
Door controlled	1 door	2 doors	4 doors
Door opening time extension setting	1-600 seconds (adjustable)		
Maximum amount of controllers	Without limits		
Operating temperature	-40 °C ~ 70 °C		
Operating humidity	10-90% relative humidity, non-condensing		
Q 'ty of users	20,000 users		
Amount of event buffers (offline)	100,000 event buffers		
Power failure protection measure	High speed memory, records never lose		
Maximum distance from reader to controller	100m (suggested distance 80m)		

Maximum distance between controllers	TCP / IP: Depends on the net coverage area		
Package Included:	PCB board, software, manual, certificate. cardboard		
Long time open door alarm, illegal break-in, intimidation	Yup		
Fire and alarm connection	If no connection with the expansion board, it only has the software interface alarm and drive the computer speaker. If connected with expansion card, it is capable of alarming via hardware, if connected with hardened expansion card, then it is capable of security alarm, the model is ACB-EA05		
Door open and closed compulsive for a long time	Yup		
Remote open door	Yup		
Interlock	No	Yup	Yup
Anti pass back and tail	Yup	Yup	Yup
Multi-card open door	Yup		
Open for a long time at the specified time	Yup		
Electronic map	Yup		
Urgency block	Yup		
First release of the card	Yup		
Unlock based on internal and external validation	Yup		
Keyboard (card + password, dinner password)	Yup		

Product Picture

ACM-T04 > Four-door TCP/IP Network Door Controller

1. Control 4 doors, 4 readers.
2. Communication Protocol: TCP/IP;
3. Door control: 1 door, 1pc relay;
4. Power Supply Input: 12V DC;
5. High Speed Memory, Records never lose

ACM-T01 >

1 Door

ACM-T02 >

2 Door

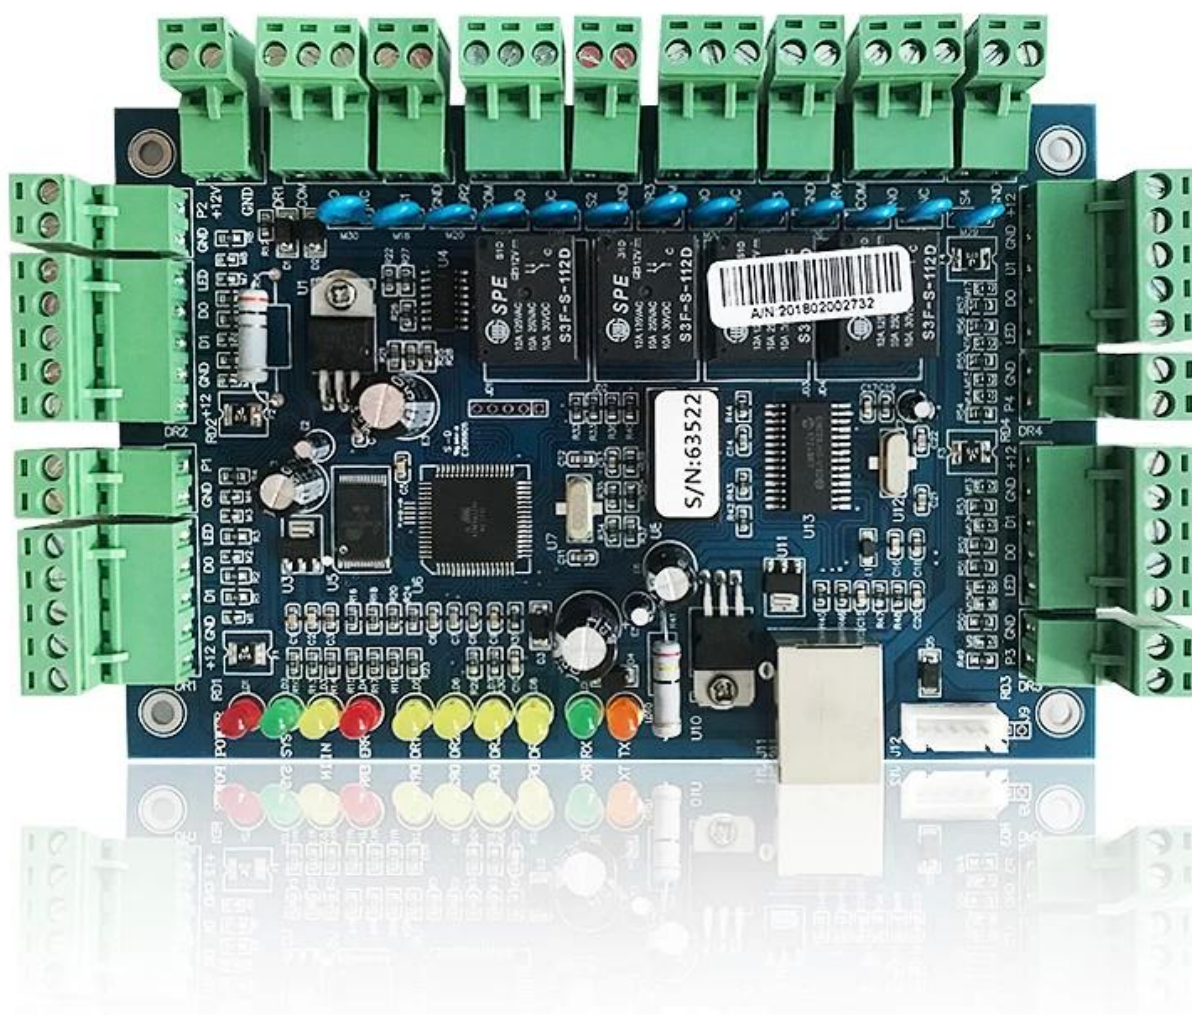

Wide voltage backup power controller listed here

Input: AC110-240V / 50Hz-60Hz, Output: DC9V-16V / 5A

Support FREE OEM silk screen printing LOGO IF based on 100pcs QTY

Product parameter	Parameter description
ACM model	ACM-WG04
product name	Backup power supply for access control card
Input voltage	AC110-240V / 50Hz-60Hz
Output voltage	DC9V-16V / 5A
Output contact	Lock, access control, exit button
Material	Shell: iron material, painted
Time relay	0 ~ 15 sec
Useful to	ACM series access control card.
Special design	box can accommodate backup power and control board
optional accessories	ACM-400 battery, 12V / 7AH

Dimensions	371 x 266 x 66 mm (mm)
Unit of weight	2.04KG
Standard package	10 PIECES
Carton weight	20.5 kg
Carton size	58 * 43 * 40 (cm)

Packaging and delivery

Every order we will check the quality first to ensure our customer get the best product.
Our staff will carefully pack it to avoid damage in transit.
We will ship all goods as soon as possible.

EXW

FCA FOB

CIF CFR

Shipping method (for new customers reference only)

We have been one of the leading exporters of RFID products in China for 2000 years. With rich experience in international trade, we know international shipping very well, we know which express or air / sea line is cheap and safe for your country. We can provide various certificates to clean your custom such as CO, FTA, Form F, Form E ... We will provide our professional suggestion for shipping. EXW, FOB, FCT, CIF, CFR ... trade terms are ok for us. We can be your reliable partner for products and shipments.

We are professional suppliers of full security access control products with 20 years of experience, we make sure to offer the best access control system solution! Then, submit your inquiry details below, click "Send" now!

We are looking forward to establishing successful business relationships with new customers around the world in the future.

Our service

- 1, All inquiries will be answered within 24 hours
- 2, professional manufacturer and supplier, welcome to visit our website and factory
- 3, OEM / ODM available
- 4, high quality, fashion design, reasonable and competitive price, fast delivery time
- 5, after-sales service:
 - 1), All products will have been strictly checked in house before packing
 - 2), All products will be well packed before shipping
 - 3), All of our products have 2-3 years warranty if the damage is not caused by man
- 6, faster delivery : About 1 ~ 5 days for sample order, 7 ~ 30 days for bulk order
- 7, payment: You can pay for the order via: T / T, Western Union, Paypal,
- 8, Shipping: We have strong cooperation with DHL, FEDEX, TNT, UPS, EMS, Forwarder by SEA and By AIR, you can also choose your own forwarder.

FAQ

Q: 1. How can I place an order?

A: Please list your needs by mail. Then we will send you the offer as soon as possible, after your

order is confirmed, we will arrange the production as soon as possible.

Q: 2. What about payment and shipping?

A: Trade assurance and T / T, Paypal, Western Union.

Customers can choose by sea, air or express (DHL, FedEx, TNT UPS etc.)

Q: 3. How can I get a sample to check the quality?

A: We could provide you with free sample and the freight cost paid by you.

Q: 4. How long can I expect to get the samples?

A: It depends on the quantity. Normally 3-7 days for 5000 pieces and 7-15 days for 100,000 pieces

Q: 5. Can your products be customized?

A: Almost all of your products are customized, including matter, size, thickness and printing. OEM orders are welcome.

Q: 6. Are you a trading company or a factory?

We are one of the largest manufacturers of RFID card / NFC tag / RFID keybod / RFID bracelet, rfid reader and access control products in China for more than 20 years.
