

Product Description

Opening method	Remote control/Bluetooth APP/Automatic induction	Motor model	H99JB550 DC reduction motor
Material	Thickened high-temperature alloy steel plate (one-time stamping forming)	Voltage	6V
Overall dimensions	400*450*80(mm)	No-load current	250mA
Base thickness	2.5mm	Resistance current	4.5A
Shell thickness	2.0mm	Output speed	7rpm
Steel pipe wall thickness	1.1mm	Reduction ratio	400:1
Product weight	8KG	Output torque	50KGN/CM
Output power	12W	Raising or lowering running time	≤5s
Rated voltage	DC6V	Lifting height	400mm
Static voltage	≤0.8mA	Drop height	80mm
Working current	≤0.85A	Control distance	≤20 meters
Product warranty	The product "motor" and "control board" have a one-year warranty (except for man-made damage). If other accessories are damaged by man-made damage, if parts need to be replaced, the cost of the parts will be charged.		
Power supply mode	Dry battery	Lithium battery	
Charging method	non-rechargeable, one-time use	rechargeable	
Use cycle	about 4-6 months of use	4 hours of charging, 6-8 months of use	
Operating environment	-20—+65℃	-20—+75℃	
Battery warranty	three months replacement for quality problems (except for man-made damage)		
Battery descr1ption	Long life, high energy density, low self-discharge rate, easy to replace, you can replace the AA battery by yourself		
Product packaging size	length 45*width 45*height 10cm 5-layer corrugated box

Parking Space Lock Installation Guide

Installation tools

Geological requirements: The installation ground must be level.

If your parking space is on earth, it needs to be poured with cement to the size of the parking space lock, and it can be installed.

Installation requirements: The parking space lock is easy to install. Our company does not provide door-to-door installation for the time being. If you have strong hands-on skills, you can borrow tools to install it yourself.

1. Mark the location where the screws are to be installed on the installation floor.

2. Drill a hole for controllable screw installation at the mark.

3. Use a hammer to hammer the screw into the drilled hole.

4. Tighten the screws with a suitable wrench

Your May Need

We are Professional uhf reader manufacturer , Except the ACM812A , we also can supply ACM802A , ACM818A , ACM801A . The main difference of them are the reading distance . Also , ACM801A can be used to read multi-tag(200 pcs at one time) . For more detail , please click following picture .

ACM812A
2-5m reading range UHF reader
Wiegand 26 output, RS232/485

ACM818A
10-20m long range UHF reader
Wiegand 26 output, RS232/485

ACM802A
8-10m reading range UHF reader
Wiegand 26 output, RS232/485

ACM801A
10-15m UHF reader
Wiegand 26 output, RS232/485

ACM 8017
UHF Handheld Reader
UHF+WIFI+GRPS

ACM 918K
UHF 4-Antenna Channel High
Performance Fixed Reader

Our Service

- 1, Any inquiries will be replied within 24 hours
- 2, Professional manufacturer and supplier, Welcome to visit our website and our factory
- 3, OEM/ODM Available
- 4, High quality, fashion design, reasonable & competitive price, fast lead time
- 5, After-sale Service :
 - 1), All products will have been strictly quality checked in house before packing
 - 2), All products will be well packed before shipping
 - 3), All our products have 2-3 year warranty if the damage is not caused by human
- 6, Faster delivery : Around 1~ 5 days for sample order, 7~30 days for bulk order
- 7, Payment : You can pay for the order via : T/T, Western Union, Paypal

FAQ

Q: 1. How can I place an order?

A: Please list your requirement to us via Email. Then we will send the offer to you at earliest time, after order confirmation, we will arrange production ASAP.

Q: 2. What about the payment and shipment?

A: T/T, Paypal, Western Union.

Clients can choose by sea, air or express (DHL, FedEx, TNT UPS etc.)

Q: 3. How can I get a sample to check your quality?

A: We could provide free sample to you, and the freight cost paid by you.

Q: 4. How long can I expect to get the samples?

A: It depends on the quantity. Normally 3-7 days for 5000 pcs and 7-15 days for 100,000 pcs

Q: 5. Can your products be customized?

A: Almost all of your products are customized, including the material, size, thickness and printing. OEM orders are highly welcome.

Q: 6. Are you a trading company or factory?

We are one of the biggest manufacturers of RFID cards/NFC tags/RFID keyfobs/RFID wristbands/RFID reader and access control products in China more than 20 years.
