

Electric Door Wireless Cloning Universal Gate Garage Door Opener Wireless Remote Control Duplicator Key

Electric Door Wireless Cloning Universal Gate Garage Door Opener Wireless Remote Control Duplicator Key The gadget is a wireless remote control key fob, which comes with ultra-strong Learning code function. It support remotely and wirelessly control your roller shutter door, garage door and other telecommand equipments within 100m (free space). Bringing you brand new experience of remote control, bring you much convenience in your daily life. You can not miss it.

Features:

4-Channel RF Wireless Remote Control Duplicator for Cars, Garage Doors , Gates doors, Alarm systems

etc. Fixed frequency

(433.92mhz or 315mhz) for copying 99.99% common fixed and learning code remote controls.

Face to face copy the functions of your original remote by this 4-channel RF remote control duplicator with code learning

functions and you'll always have a back up.

Duplicate Your Existing Remote Controllers:

1□Vehicle central locking systems

2□Garage doors

3□Electronic gates

4□Electrical appliances

5□Heating systems

Note:

1.This remote control only support the learning code (1527) of the receiver

2.This remote can not be programmed.

3.It will not work if you only buy the transmitter. it is parts of the remote control system, it needs work with the Remote

Control Relay Receiver module to achieve controlling.

4.We don't offer retail package, but we will pack it well before shipped out.

Specifications:

Material: Metal and ABS

Product Type: Copying / Duplicating Remote Control Transmitter Key Fob

RF Frequency: 433MHz

Match Code Way: Copying Via Face to Face(One to One Copying)

Channel Supported: Four Channel

Encoding Type: Learning Code(1527), Fixed Code(2262).

Button: 4 Buttons(A,B,C,D)

Modulation System: ASK

Operating Voltage:DC12V

Operating Current:<25mA

Transmitting Power:+13dbm

Frequency Windage: ± 0.2 MHz

Transmission Distance: 50m (Free Space)

Color: Black

Main Item Size: 5.4 * 2.9 * 0.9cm / 2.1 * 1.14 * 0.35oz

Main Item Weight: 28g/1.0oz

Package Size: 5.5 * 3.0 * 1.0cm / 2.16 * 1.18 * 0.39oz

Package Weight: 30g/1.05oz

ROLLER SHUTTER DOOR CONTROLLER

Designed used for tubular motor

Application

Anti-alarm system remote control

Barriers gate remote control

Sliding door remote control

Garage door remote control

Swing door remote control

Roller shutter remote control

Retractable door remote control

The stage light /laser/lamp etc. Equipment remote control

Led lighting etc. remote control

fast copy type remote control product description

1. Chips could be copied:2260(all manufacturers); 2262(All manufacturers); PT2264, 5326(All manufacturers);SC5262, HT600, HT680, HT6207, HT6010, HT6012, HT6014, SMC918 series, 527(All manufacturers); 1527(All manufacturers); 2240(All manufacturers); HCS101, HCS200\HCS201(part code), HCS300\HCS301(part code), part single chip microcomputer.....

2. Code cleaning method:Press the unlock button and lock button at the same time(some shells are the up button and down button), after the LED indicator light flashes three times, loosen any one of the buttons while the other is kept pressing, then push the

released button three times, the LED indicator will enter into the fast flashing status. At this time all the memory data is cleared, the cleaned remote control will not have lighting LED indicator no matter which button you press.

3. Copy method: One hand keeps the original remote controller, while another keeps the copy remote control, the two remote controls should be placed as closely as possible (the ideal situation is to put the two remote controls on the desktop side by side with zero distance), respectively press down the copy button, when the LED indicator light flashes quickly after three flashes, this copy is successful, other key operating methods are the same. Some remote control has a smaller transmitting power, so the original remote control should be placed back to the copy remote control to be operated. For the presence of noise, it should avoid interference to operate, If the copy is not successful, it should recopy after clearing code.

4. The features of new copy remote control

The four buttons could respectively copy four different types of chips, That is a remote control can operate four different types of facilities. The frequency is from 270MHz to 434MHZ and more than ten frequency points. Faster copy data speed, not easy losing code, far distance.

WHY CHOOSE US?

- **Long History & High Reputation**

Founded in 1999. Great Creativity Group dedicates in R&D, producing and sale of RFID products and Plastic Card. We own 12,000 square meters factory, 3000 square meters office and 8 branches so far.

- **Advanced Equipments & Ultimate Production Ability**

2 Modern high standard production lines with monthly output 30,000,000pcs cards. Brand-new CTP machines and Germany Heidelberg offset printing machines. 10 sets of compounding machines.

- **Self R&D Customization**

Our company offering management application project, equipment application, scheme and personalized RFID end product.

- **Strict Quality Control**

Strict QC System from raw material to finished products. We have passed certified ISO9001, SGS, ROHS, EN-71, BV etc. We promise all products will be examined strictly and we ensure that the products we deliver to you with top quality.

Honers & Certificates

FAQ

Q Do you accept Trade Insurance ?

Yes of course, please click [here](#) to issue a trade insurance order.

A

Q Do you offer a customized sourcing service ?

A Yes please contact our sales team directly.

Q What format files shall we send for printing?

Adobe illustrator would be best, cdr, Photoshop and PDF files are also OK.

A

Q How long is your warranty time?

A Function warranty time is 3years, printing warranty time is 1year.

You may negotiate with our sales team when ordering.

Q Do you own your own factory?

A Yes we have 3000 square meter workshop for RFID/NFC products.

Q Could I get the free sample for testing?

A Yes, in order to show our sincerity, we could support the free sample to you for testing..

Q Do you also supply OEM service?

A Yes, Since we keep professional manufactory with own moulding line and product line, so you could put your LOGO on our products to make them unique
