Multi-functions remote control for universal

Range: 300MHZ–930MHZ

Controlable buttons

self-adjustable

Controllable multi-door

Multi Frequency Remote Duplicator Doors Alarm Sirens Smart Home Auto Cloning Remote Control Duplicator

The gadget is a wireless remote control key fob, which comes with ultra-strong Learning code function. It support remotely and wirelessly control your roller shutter door, garage door and other telecommand equipments within 100m (free space). Bringing you brand new experience of remote control, bring you much convenience in your daily life. You can not miss it.

Features:

*Support Learning Code(1527) Common Chip, such as, PT1527, EV1527, etc. Compatible with the most of 1527 Remote Control Relay Panel.

*Stable circuit, high accurate and high-effective, individuation and humanization design, bringing you much convenient.

*Adopts imported high-frequency triode, owning 10mW Transmitting Power.

*Easy to use: Easy to install and use, the 4 channel remote control system lets you take control of your gadgets, car and home or garage.

*Widely Use: Perfect Suitable for controlling electrically operated gate, retractable door, garage door, electric curtain

automobile, motorcycle and other telecommand equipments.

Note:

1.This remote control only support the learning code (1527) of the receiver

2.This remote can not be programmed.

3.It will not work if you only buy the transmitter. it is parts of the remote control system, it needs work with the Remote

Control Relay Receiver module to achieve controlling.

4.We don't offer retail package, but we will pack it well before shipped out.

Specifications:

Material: Metal and PVC

Product Type: Copying / Duplicating Remote Control Transmitter Key Fob

RF Frequency: 433MHz

Match Code Way: Copying Via Face to Face(One to One Copying)

Channel Supported: Four Channel

Encoding Type: Learning Code(1527), Fixed Code(2262).

Button: 4 Buttons(A,B,C,D)

Modulation System: ASK

Operating Voltage:DC12V

Operating Current:<25mA

Transmitting Power:+13dbm

Frequency Windage: ±0.2MHz

Transmission Distance: 50m (Free Space)

Color: Black

Main Item Size: 5.4 * 2.9 * 0.9cm / 2.1 *1.14 * 0.35oz

Main Item Weight: 28g/1.0oz

Package Size: 5.5 * 3.0 * 1.0cm /2.16 * 1.18 * 0.39oz

Package Weight: 30g/1.05oz

Self-adjustable frequency remote control

300MHZ-930MHZ

Multi frequency
universal duplicator

SCOPE OF APPLICATION

Anti-theft alarms,

Security systems,

Remote controlling devices,

Motor-driven curtain, roller blind door,

Garage / gate barriers, ,

Short-range wireless remote control products,

Industrial control products home/store alarm,

Car alarms, cars, automobile, motorcycles,

All kind of doors/ controllers and other industrial lighting etc. products.

Note:

We usually do not recommend copying a rolling code chip, because there are many uncertainties when copying a rolling code chip. When copying a rolling code chip remote control, it is not possible to determine whether the original remote control chip is an encryption chip. Therefore, we do not recommend copying the rolling code remote control.

• Input Voltage: 12 V, RF working mode: Superheterodyne

• Receiver sensitivity: > 97 dbm

• Transmitting distance:> 100 m (open space)

• Decoding mode: MCU software decoding

• Remote storage: 20

• Support remote type: EV1527 learning code

• Working mode: Momentary, toggle, latching time delay (5s ,10s ,15s)

• Output terminal: NO , NC , COM
• Dimension of PCB:35 x 30 x 18 mm (L,W,H)
• Remote control battery: 2 x 3 V CR2016 button batteries
Note: Maximum input power is 250 V

Remote programming
-Clearing the code :
Push the learning button on the receiver 8 times , the codes will be reset.
After clearing the code, remotes will be need to be recalibrated

-Momentary mode
Please contact us for detailed use instructions

-Learning the code : (Toggle - Press remote button to turn on, press again to turn off.)
Press the learning key on the receiver 2 times, Wait for a moment , the LED will be off , it comes into learning state .

-Push the learning key on the receiver 3 times , the LED (on the Receiver)will blink 3 times.
When the LED is on, press the button of the remote control(You want to let it learn), Push the remote button A, LED flash for 3 times .
Push the remote button B, Led flash for 3 times .
After 3 seconds , the LED indicator will be off , Learning to succeed.

Model Number: Wireless Remote Control Switch
Wireless Communication:RF
Frequency:433 MHz

WHY CHOOSE US?

- **Long History & High Reputation**

  Founded in 1999.Great Creativity Group dedicates in R&D,producing and sale
  of RFID products and Plastic Card. We own 12,000 square meters factory,3000
  square meters office and 8 branches so far.

- **Advanccd Equipments & Ultimate Production Ability**

  2 Modern high standard production lines with monthly output 30,000,000pcs cards.
  Brand-new CTP machines and Germany Heidlberg offset printing machines.
  10 sets of compounding machines.

- **Self R&D Customization**

  Our company offering management application project, equipment
  application, scheme and personalized RFID end product.

- **Strict Quality Control**

  Strict QC System from raw material to finished products.
  We have passed certifiated ISO9001, SGS, ROHS, EN-71, BV etc.
  We promoise all products will be examined strictly and
  we ensure that the products we deliver to you with top quality.

Honers & Certificates

FAQ

Q Do you accept Trade Inssurance ?

Yes of course, please click here to issue a trade inssurance order. **A**

Q Do you offer a customized sourcing service ?

A Yes please contact our sales team directly.

What format files shall we send for printing? **Q**

Adobe illustrator would be best, cdr, Photoshop and PDF files are also OK. **A**

Q How long is your warranty time?

A Function warranty time is 3years, printin warranty time is 1year.

You may negotiate with our sates team when ordering.

Q Do you own your own factory?

A Yes we have 3000 square meter workshop for RFID/NFC products.

Q Could I get the free sample for testing?

A Yes, in order to how our sincerity,we could support the free sample to you for testing..

Q Do you also supply OEM service?

A Yes, Since we keep professional manufactory with own moulding line and product line, so you could put your LOGO on our products to make them unique
