

## Product Description:

### NFC Business Smart IC Card

## Advantages:

1. Adopting raw materials from the supplier of national identity card, which is the safety and environmental protection of plastic materials.
2. Anti-scratch, more durable with overlay and film protection.
3. Best Printing Machine: Four color printer, great print quality.
- 4, each card with unique universal unique number.
- 5, the default without the print number on the card
6. Manufacturer, custom-made, factory price
7. Specializing in smart cards produced over 20 years
8. Fast delivery speed 8. Fast delivery speed

**please do not hesitate! Contact us and get more details of the discharge card**

## Advantages

- LF / HF / UHF RFID chips in the options
- Provide different access password and encryption version, high safety product.
- Dual frequency card: Can be used by special customers on different environment, support printing on demand.

- CPU Card: Realizing ISO / IEC 14443 and ISO / IEC 7816 Two unicode interfaces (no contact and contact) on one or only CPUs supporting the standard ISO / IEC 14443 CPU.
- High safety product, safety engineering of CPU and COS security. Kit, and controlled by each key management system.

## Customize:

### China Manufacture of professional RFID cards for 20 years

item	NFC Business Smart IC Card	
Size	85.5 * 54 * 0.86mm or custom made	
thickness	0.8mm without film, 0.86mm with film, others available (0.9-1.0mm above 1.00mm)	
print	Offset printing as a work of art	
repeat	LF / HF / UHF 125 kHz, 13.56 MHz, 860-915 MHz	
chip	TK4100 and EM4200	
Surface finishes	Matte, matt or frosted	
Material	PVC / PET / ABS / Transparent	
	Demand	
Chips are available	125KHZ	TK4100, T5577
		EM4305, EM4200, etc
	13.56MHZ	Most ISO14443A chips are available
	860 ~ 960Mhz	Most of the ISO18000-6C chips are available
print	CMYK offset printing, digital printing, silk screen printing, etc.	
craft	Barcode, QR code, serial number, encrypted URL, etc	
Options on the card	Magnetic stripe: Loco 300oe / Hico 2750oe, 3500oe, 4000oe	
	Numbering: Jet dot / Jet printing / laser engraving / patterning	
	Barcode printing: 13/39/128	
	Signature panel (color gray / white / transparent)	
	Engraving	
	Hole punch	
Customization available	Size, printing, QR code, gold / silver stamp, digital items, barcodes, magnetic stripe, etc	
Position	Access control, hotel key card, loyalty card, prepaid card, employee ID card, etc.

## Contactless RFID Card

Available with an exceptionally wide variety of chips

Available Product

Access control card

Hotel key card

Business card

PVC ID card

School ID card

Membership card

### Custom Properties:

**Numbering:** Inkjet, Laser, Flat, Engraving

**Photo:** Adopt the IndigoHP digital printer, ensure the quality print, and at the same time print the card with personal photo. text.

We make kinds of RFID cards craft: Access Control Card, Hotel Key Card, Business card, PVC PVC ID card, school ID card, membership card, etc.,

### What we have:

- Laser printing / silk screen printing logo / Offset printing.
- Magnetic strip: 2750oe hico, 4000oe hico, 300oe loco.
- Punching hole, Silver / Metallic Gold, UV logo, Signature plate.
- Numbering: thermal number, UV number, Jet point number, laser number.

### We can support more:

- Ability to design various RFID antenna, in different RF protocol, frequency.
- Research and design of various packaging for special environments.
- Data encoding and encryption options.
- Responder base design to correspond with the customer reader.
- Individual operation.

OEM / ODM Options: We can open new mold for you, with your logo engraved on the current mark. Or produce a brand new brand with your own design, more details please contact sales.

RFID Card	Available Chip
125KHZ Card	EM4200, EM4305, T5577, TK4100, HYS256
13.56MHZ Card	MF1 S50, MF1 S70, F08, TI2048, ICODE SLI-S, ULTRALIGHT, ULTRALIGHT C
UHF Card	Allen H3
Dual Frequency Card	125KHZ+13.56MHZ 125KHZ+UHF 13.56MHZ+UHF

## RFID Application

Concert Wristband

Hotel Card Application

Access Control System

Business Card

Warehouse Management

Magnetic Stripe Card

## RFID Application:

Radio Frequency Identification (RFID) technology provides simplicity for logistics, identification, asset tracking, inventory management,

Access control, time attendance, meeting records even at home, payment, e-ticket etc., with low cost PVC card.

## Packing & Delivery

### Packing

with or without polybag separate package

200pcs/ box, 180pcs/bag, 150pcs/bag

25boxes/carton, 16boxes/carton, 6boxes/carton or as required

### Shipping

We have different shipping options available for your choice

International door to door Express

By Air(Faster and Cheaper for large order)

By Ship(Cheapest shipping way)

## Our Service

- 1, Any inquiries within 24 hours
- 2, Professional manufacturer and supplier, welcome to visit our website and our factory

### 3, OEM / ODM available

4, High quality, fashion design, reasonable price Competitive price, fast lead time

### 5, after-sale service:

- 1) All products will be checked at home quality strictly before packing
- 2) All products will be well packed before shipment
- 3) All our products have 2-3 years warranty if the cause of damage is not by human

**6, faster delivery:** About 1 ~ 5 days for sample order, 7 ~ 30 days for bulk order

**7, Payment:** You can pay for the order by: T / T, Western Union, Paypal, Ali Trade Guarantee

**8, Shipping:** We have strong cooperation with DHL, FEDEX, TNT, UPS, EMS, AND SHIPPING AGENT by sea and AIR, you also can choose your shipping.

### **Quality assurance:**

**Warranty service will be honored if the damage is not caused by human, ACM Goldbridge provides a two-year warranty for relative products.**

Conversely, ACM Goldbridge will charge additional charges in case of repair. For more information, please visit our service center.

## **Instructions**

### **Q: 1. How do I place order?**

A: Please mention your needs to us via email. Then we will send the toy offer soon, after you confirm the order, we will arrange the production as soon as possible.

### **Q: 2. what about payment and shipping?**

a: Trade Guarantee, t / t, paypal, western union.

Customers can choose by sea, air or express (DHL, FEDEX, UPS and TNT etc)

### **Q: 3. How do I get sample to check your quality?**

a: we could offer a free sample to you, the shipping cost you pay.

### **Q: 4. How long can I expect to forget the samples?**

A: Depends on quantity. Usually 3-7 days for 5000pcs and 7-15 days for 100,000 pieces

### **Q: 5. Can your products be customized?**

A: All of your products are almost customized, including material, size, thickness and printing. OEM orders are very welcome.

### **Q: 6. Is a company or a company or company?**

We are one of the largest manufacturers of RFID / NFC tags / RFID keyfobs / RFID cards in China over 20 years.
