

13.56Mhz F08 Chip RFID Tag Classic Smart Sticker 1k Wet IC Inlay

RFID technology provides simplicity for logistics, identification, asset tracking, inventory management, even in electronic payment.

E-ticket, etc. with a low-cost paper label. It builds on existing contactless infrastructure around the world that is already in place.

Used by millions of people every day, it is actually a technology that makes people's lives easier.

And our RFID NFC tags can be customized and programmed to match your system.
