

## Product Description

Plastic Seal Secure Zip Ties Print ISO14443A ISO15693 NFC RFID Cable Seal Tag Metal Zip Tie Gun Label Off White Tie Out Cable

A highly secure, high tech alternative to conventional padlocks, that combines long-range RFID-reading performance for Supply Chain solution.

RFID smart seal is mainly used in Supply Chain, asset management and so on. The smart seal is for disposable seals ,When you put the wire into the keyhole, the RFID smart seal has been locked, you can not open the wire again, only to cut or destroy it.

RFID smart seal has a unique identification number that can identify track your assets fastly. Such RFID Cable Tie Tag is made of robust Nylon Plastic for indoor and outdoor application environment. It contains a POCKET, which can be encapsulated with LF, HF or UHF antenna. You can choose one to build an automatic tracking system and achieve your project objective.
