

125khz RFID Nail Tags TK4100 Proximity Smart Card Waterproof ABS Black Tag for Tree Tracking Management

- RFID tree Nail tag for trees is a electrical tag, which is widely used in the areas of the non-metallic products management, security inspection, packaging of army goods, marking of the bags and the vehicle. The installing method is putting the nail tag in the good after drilling a hole in the goods surface.

- The diameter of the hole is suggested to be smaller than 5*33mm, and should be knocked in by rubber hammer. It can be used in the non-metallic products like cement, prefabricated product, plastics and wood.

Nail tags are widely used in industry, agriculture identification project.

- It is rust-resistant in wet and chemical environment. The top side of the nail is filled with epoxy, the nail tag is completely water/dust proof

Specification

- Product Name:RFID Nail Tag
- Tag Type:Passive RFID Tag
- Material:ABS
- Size:6*36mm
- Frequency:125KHz
- RFID Chip:TK4100
- Memory Size:64 bit
- Work Type:Only Read
- Color:Black
- Working temperature: -40°C ~ +85°C
- Storage temperature: -40°C ~ +100°C

- Feature:waterproof, rust-resistant in wet , anti chemical, shock proof, non fading
- Using Method:being embedded or hammered into wooden material,trees or wall.

WHY CHOOSE US?

- **Long History & High Reputation**

Founded in 1999. Great Creativity Group dedicates in R&D, producing and sale of RFID products and Plastic Card. We own 12,000 square meters factory, 3000 square meters office and 8 branches so far.

- **Advanced Equipments & Ultimate Production Ability**

2 Modern high standard production lines with monthly output 30,000,000 pcs cards.
Brand-new CTP machines and Germany Heidelberg offset printing machines.
10 sets of compounding machines.

- **Self R&D Customization**

Our company offering management application project, equipment application, scheme and personalized RFID end product.

- **Strict Quality Control**

Strict QC System from raw material to finished products.
We have passed certified ISO9001, SGS, ROHS, EN-71, BV etc.
We promise all products will be examined strictly and
we ensure that the products we deliver to you with top quality.
