

## Descrição do Produto

K9 Desinfecção Automática de Medição de Temperatura Montada na Parede Distribuidor de Sabão Desinfetante de Mão com Termômetro

Display digital LCD com luz de fundo, leitura clara. Com aviso de detecção de falha óptica e aviso óptico de temperatura anormal.

O sensor infravermelho inovador de alta tecnologia pode medir com segurança e rapidez em 500 milissegundos.

Função de alarme de febre, quando a temperatura estiver anormal, a luz de fundo vermelha e a campainha avisarão o paciente.

A conversão da unidade de temperatura Fahrenheit ou Celsius pode ser convenientemente usada para pessoas diferentes. testa infravermelha ligente

termômetro, sem necessidade de segurar, pode ser pendurado / fita dupla-face / suporte fixo.

Uma grande quantidade de desinfetante 1000ML pode inibir as bactérias com eficácia e evitar infecções cruzadas.

Sterilization is more effective

## K9 Automatic Temperature Measurement & Disinfection Machine

Safer without contact

Large-capacity

Automatic dispensing

Temperature measurement

Alarm Function

High precision

°C/°F

### Automatic temperature measurement and disinfection

Effectively avoid cross infection

Align the temperature measuring probe and the liquid outlet with the palm of your hand to detect the temperature and automatically sterilize the liquid

### Automatic alarm function

When the measured body temperature exceeds the preset alarm temperature, the device will issue an alarm to remind the surrounding people

Accurate measurement

accurate measurement, fast and efficient, stronger  
environmental adaptability

### Large-capacity disinfectant used longer

1000ML large amount of disinfectant solution, effectively  
inhibit bacteria, the inhibition rate is as high as 99.9%.  
Effectively take care of you and your family's health

°C/°F temperature unit can  
be selected

Switch easily

## Self-developed core motherboard chip

High-performance, low-power self-developed motherboard greatly improves product stability and operating capability

The inner core is more powerful

## Smart power saving & auto wake up

K9 has intelligent power saving and automatic wake-up function, which can save more resources

Low energy consumption, more economical

## Visualization design of disinfectant

The side adopts a transparent design to visualize the use of disinfectant, and add liquid at any time according to the use

# Exploded view

Concise appearance design

# Box Contents

K9

USB cable

Screw&amp;rubber plug\*2

## Strong environmental adaptability

Hospital

School

Community

Factory

Supermarket

Station

Hotel

Exhibition

Market
